The Lawn Tennis Association (LTA) wants to make tennis in this country relevant, accessible, safe and fun.

Everyone who is involved in tennis has a shared responsibility to support this by promoting the welfare of all children, young people and adults at risk.

What should I do if I have a concern about a child, young person or adult at risk?

- Contact Judy Marshall, the club's welfare officer, who will then contact the LTA Safeguarding Team as soon as possible. The LTA safeguarding team work with multi-agencies to investigate concerns
